3. Is this job for you? Why or why not?

I don't think this is the job for me, although it is very interesting learning about trades
I'd rather be doing those apprenticeships, not writing the checks for them.

4. Explain the value of the TOKTW experience in relation to your ideas about your post secondary (after high school) plans (education?, training?, travel?, work?).

I was in a lot of meetings with other people who work with my dad and they do pretty interesting things like helping high school students get into trades.
