

Core Competencies Self-Assessment

Name: Mattias Clark

Date: April 24th 2018

How does the artifact you selected demonstrate strengths & growth in the communication competency?

In what ways might you further develop your communication competency?

How does the artifact you selected demonstrate strengths & growth in the thinking competencies?

In what ways might you further develop your thinking competencies?

How does the artifact you selected demonstrate strengths & growth in the personal & social competencies?

In what ways might you further develop your personal & social competencies?

Self-Reflection

Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.

Keeping The Black Bears Out

I feel that this project demonstrates my growths socially because its made me think of ways to better the community for something that i thought was a problem for Canada as a whole.

I can further develop my skills by using my personal views more in projects to promote different ways that things can be done to better ourselves and the world around us.

Publish Your Self Assessment

You will now attach and/or embed your self-assessment to the bottom of the blog post with the artifact you have chosen. You may choose to make this post private or public. After placing your artifact on a blog post, follow the instructions below.

1. Categories - Self-Assessment
2. Tags - Now tag your post using the tag that corresponds to the competency that you have written about. You can choose more than one. Please use lower case letters and be exact.
 - #creativethinkingcc
 - #communicationcc
 - #criticalthinkingcc
 - #socialresponsibilitycc
 - #personalidentitycc
 - #personalawarenesscc
3. Use the Add Document button located at the top of your post page and embed your self-assessment at the bottom of your blog post.
4. Publish
