How does the artifact you selected demonstrate strengths & growth in the communication competency?

In what ways might you further develop your communication competency?

Self-Reflection

Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.

I have expanded my critical thinking by learning how to do professional labs, and expanding my communications with students and classmates so that I can expand my work and help them achieve their goals. First 3 subjects was interesting as I learned what equilibrium is and different types of solubility, as well as kinetics learning what endothermic and exothermic graphs. My goal is to achieve the highest possible grade I can possibly get.
