### Student Reflections:

1. Give three reasons why you would like this job (be specific):

- Open area, you can see everything and its easy to handle.
- daily outside activities (field trip) to interesting places
- Easy communication with children and co-workers

- load work environment, usually caused by children
- handling with children that might be uncooperative
- non stop instructing such as telling children what to do

This job is not for me because its not what i am looking for
