Self-Reflection

Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.

This artifact that I've chosen is my French ABC's using Halloween vocabulary. Me and my partner worked very well together and communicated well, creating certain deadlines to have certain things done and we had the project done two days before it was due so we can go back and edit it making it look more professional than just a random PowerPoint. This project reflects my learning and shows how I learned when to use "qui" and when to use "que" in a sentence. Looking back at it now the only thing I would change is finding my vocabulary words faster because my partner Morgan had to wait an extra day for me to finish finding them.
