Self-Reflection

Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.

I communicated with my teacher about time I could spend to finish projects. Like coming in the mornings and staying till lunch. I also asked questions and instructions when I really needed help or clarity. I could've talked to my peers more but I'm sure it would've made me anxious. I believe the way I communicated was also clear with my teachers, but I think I could've been more involved with the class.
