

FIRST NATIONS AND THE FUR TRADE

PART A: Roles of First Nations men and women in the fur trade

Brainstorm the various roles of First Nations in the beaver fur trade. In addition, categorize who was responsible for each role (Male, Female, Both)

PART B: What impact did the fur trade have on First Nations?

1. Analyze Figure 4-6 on p. 132 (Chapter 4) in *Horizons 2nd edition* to answer the following questions.
 - a. In 1720, which nation occupied the largest territory?
 - b. In 1720, which nation occupied the smallest territory?
 - c. Which nation gained the most territory between 1720 and 1780?
 - d. Which nation lost the most territory between 1720 and 1780?
 - e. Identify 2 positive and 2 negative results of nations sharing territory.

2. Summarize how the fur trade positively and negatively impacted the lives of First Nations.

POSITIVE IMPACTS	NEGATIVE IMPACTS
