

Name: Kaiden
Rap: _____ Class: Math
Due: _____

The Assignment:

You will be observing your host throughout the day. There are 3 parts to this assignment:

Part 1- The Interview: Observe your host at work, at some point interview your host and record/make notes of the results

Part 2 - Reflection: After the day is finished, reflect upon your experience and answer the reflection questions

Part 3 – Post Your Assignment to Your Blog: Once you have completed **Part 1** and **Part 2** post it on your blog. Make sure you take pictures and/or videos to document your day, you can place them in your blog.

Name of your host: Glenn Relationship to you: My Dad

The Interview: (ask your host these questions)

1. What is your job title? Teacher
2. What is your job description? I teach students in my class. Most of the classes are to do with computers. But For example i teach Yearbook!
3. What are the duties and/or tasks you perform at your job? I have to make sure my students are doing well and yet still having fun along the way.
4. What qualifications do you have for this job in the following areas:
 - a) training? You will need eperience working with kids, as well as a degree of some kind.
 - b) education? You need to have a degree in what every area you hope to get into as a teacher.
 - c) experience? You have to have some tipe of experience with kids, becuae mostly whop you will be working with.
 - d) skills and attributes (personal qualities)? You have to love teaching and have that pashon for learning aswell.
5. What are some of the things you like about the job? My students. They can really bring your day all up and about when you come home.
6. What are some of the things you dislike about this job? The constant conections you have make to each student every new that comes to your class. Its important to have this.
7. How do you anticipate this job changing in the next 5 years or so? To be retiring after 30 years by then.

Other question (s):

Student Reflections:

1. Give three reasons why you would like this job (be specific):

a) I like it because I got to interact with kids y age and older as well.

b) When I saw the grade eights, I totally thought of when I was grade 8.

c) You get to learn about kids more and how they think.

2. Give three reasons why you would not like this job (be specific):

a) The constant work that you have to prepare every year.

b) The report cards. Just horrible!

c) You sometimes have to shout.

3. Is this job for you? Why or why not?

I shouldn't really know by now what I want as a job at this age. Maybe know the area of what I should be getting into. But personally I think if I wanted to be a teacher, I would love being a teacher. Besides I'd learn a lot about being one from my dad. Most of the school likes him the best.

4. Explain the value of the TOKTW experience in relation to your ideas about your post secondary (after high school) plans (education?, training?, travel?, work?).

I think it is a great opportunity to think of what jobs you might want to get into. It might not contribute to all, but it's a start getting you into the right direction.

Blog Post:

Step 1: Go to your Blog

Step 2: Create a new post

- *Title:* TOKTW 2016
- *Category:* Portfolio
- *Tag:* TOKTW2016(Teachers last name in Capitals) e.g. TOKTW2016HUBBARD
- *Add Media:* Add a picture or video of your work place

Step 3: Add your assignment to the post by doing one of the following

- Copy and paste the assignment from a word document
- Type in all of the questions and answers
- Upload a PDF
- Any other means to place your work in your post

Step 4: Click Publish
