

THE SIGNS OF RACISM

1800-1999

THE KANAKA'S
THE FIRST NON' EUROPEAN EMERGENCE,
TO COME TO BRITISH COLUMBIA.

KANAKAS

- Only just a few century ago in the early 1900's, The Kanakas or (Hawaiians,) where moving to Canada because of the high demand for them on boats and companies for their hard effort and working hard.
- Though there efforts where indeed for the good intentions, there was a lot of people who still thought of them as better then the KANAKAS.

BLACK IMMIGRATION

1890-1994

BLACKS

In spring of 1850, blacks new that slavery was illegal in the Canada, so blacks traveled to places like Victoria, and Vancouver. As lots black immigrants where moving out of California and into this free countries. But at the time Vancouver had no real Military force, so the Blacks wanted to defend their land by joining the army. Though the country agreed that they can join, the black community faced a lot of discrimination.

CHINESE

IMMIGRATION TO VANCOUVER

Chinese immigration in Vancouver in 1850. The Chinese acquired land directly from the crown. And after thousands of Chinese started immigrated to Canada. But Vancouver didn't like this immigration to Vancouver. Because the white people where loosing land to the Chinese so this caused the white population in Vancouver to hate the Chinese. Then this just caused problems for the Chinese.

The After Math

2000-2017

CHINESE IMMIGRATION TO VANCOUVER NOW!!

Not long ago in the Summer a person spray painted a bridge over the overpass about the Chinese immigration. IF you look close enough it says, "stop the Asian invasion." This just proves that not much has change with racism. But their a silver lining. We have evolved hugely. There is today laws protecting the new coultur immigrating to Canada. As well as you don't see people shouting at the immigrants you suck. It's done more in private.

The connection

NOW WHY DID I SHOW YOU ALL THIS. WELL I DIDN'T JUST DO THIS TO BORE YOUR FACE OFF. I DID SO THAT YOU CAN MAKE THE CONNECTION AND SEE HOW THERE REALLY IS NO DIFFERENCE FROM BACK IN THE 1800 AND NOW! PEOPLE ARE STILL RACIST, AND JUST LOOK AT DONALD TRUMP. EVEN IN CANADA, WE CLAIM TO BE ALL EQUAL AND THAT ALL MAN KIND IS EQUAL TO ONE ANOTHER. WE STILL DISCRIMINATE ONE ANOTHER.
