INT.SCHOOL-MORNING

Emily is hanging around in front of the school office, wondering whether she should get in or not. she is being blackmailed by the anonymous instagram account, but later she finds out it is JAKE who has all Emily's embarrassing pictures and his actions get him caught and regret his actions.

EMILY

(With a face full of fear,
anxious and scared.)

Sir... I need your help. Someone I
don't know keeps threatening me
with pictures.

Emily goes to the office and starts crying she tell the principal that the anonymous has been asking for embarrassing photo's and has been blackmailing her but this isn't the first incident this has happened.

TEACHER

(with a slight expression
of annoyance)

Oh, don't worry about it Sweetie. I've had a lot of cases like that, but it ended well. You just ignore it. Don't worry, we'll catch you one day.

(As she typing to her own
computer on keyboard)

EMILY

(Still full of anxiety and
fear)

Oh, okay, Thank you. I really
hope..

TEACHER

(couldn't listen to
Emily.)

Oh hello? It's a California high
school.

As if the words on the phone were more precious than Emily's words, she quickly picked up the phone and started calling parents who were worried about transferring their children.

(Walking out of the office
in a trudging manner as if
frustrated.)

When Emily comes out, her friend runs to her from afar and talks to her

EMILY'S FRIEND

(with a curious look on
one's face)

Emily! So what did they say?

EMILY

Uh....

(couldn't speak for a
moment and said the first
word)

It ended up well..i can deal with
it

FRIEND

(With a relief on face)

oh nice to hear that..What's wrong
with the guy who threatened you?
What-

EMILY

Sorry, i think i got to go.. right
now

(interrupting her friend)

Her face turned pale and trembling, and every single one of
her gestures said she was anxious and some were seriously in
a situation to look at her. And her friend looked genuinely
surprised.

FRIEND

Oh, ok...

EMILY

(rush out to the front
gate of the school)

INT. HOUSE-NIGHT

Emily is worried and considering about telling her parents
about the situation, but she is so scared that she goes into
her room without saying anything becomes depressed.

EMILY'S MOM

(with her worried face she
get into Emily's friend)

What's going on these days? You
seems like you are in depression.

EMILY

(with one's blanket over
one's head on her bed)

I'm fine

EMILY'S MOM

Are u sure? because you..

EMILY

I told you I'm fine! Please just
get out of my room! Why are you so
nosy about it!?

Emily's loud noise frightened her mother away from her room. She is regretful and sad about what she did to her mother, and she gets text messages from Anonymous as always, who always texts her at night, and now she has to have conversation with it

ANONYMOUS

I always told you to send me
pictures by midnight, but you still
haven't?

EMILY

I'm sorry, but let's stop now. I'm
so tired. I didn't know how you got
my picture, but...i'm sick of this

ANONYMOUS

Oh, Emily, you really want your
life to be ruined, don't you?

EMILY

No, please... Don't give me any
more trouble

ANONYMOUS

Oh, okay, it's hard for you to do
that all the time, but it's only
today. Starting tomorrow, you're
supposed to send me a picture by
8:00 p.m. Bye

EMILY

Wa- wait!

As soon as he finished talking, he left the chat room in a leisurely manner, and Emily ended the worst day, as usual.

INT. SCHOOL-MORNING

Emily is lying on her desk by herself. googling "How to Erase My Photos" on my phone, but all she can see is the weird instruction of computer back up

EMILY

(murmur with a sigh)

Oh... what have I done? What am I gonna do now? My life is done...

Then she hear the story of the male student's conversation about her from far away

JAKE

(showing up his phone to his friend)

Hey, check this out. Look at Emily's shameful pictures. I have it all LOL.

JAKE'S FRIEND

(with a big laughing)

Yo bro, how did you get that!?

JAKE

(scrolling down his album)

Lol, i ain't goanna tell you, maybe you can try to another girl but now, just watch it

EMILY

(approaches to them and says)

Did u say..Emily?!
(in a voice trembling with rage)

JAKE

Oh, no. Emily listen to me..

Emily took his cell phone and checked it even before he finished talking. His phone was full of photos he had sent to an unknown account yesterday and photos of herself ashamed.

EMILY

So you were the one who've been threatening me with pictures. You son of a...

JAKE

(trembling voice)

Oh, no please don't tell the teacher.. please i beg you..

EMILY

Shouldn't you apologize first? I mean.. why? Why would you do that?!

JAKE

Sorry Emily, i was wrong.. please
forgive me.. i should't have done
this to you.

EMILY

(with an angry look on
one's face)

I'm sorry, but you're late. I hear
you've already threatened a lot of
kids through social media, and
you've ruined the lives of a lot of
people other than me with pictures,
and you want me to forgive you now?
Take care of yourself.

Emily says her words and leaves school with a planned look on
her face.

INT. JAKE'S HOUSE-NIGHT

Jake is lying in his bed, looking worried about himself.
Meanwhile, Emily's voice is heard on the porch.

JAKE

Oh...shi- what am i going to do
now? I'm in big trouble now

EMILY

Jake, come downstairs and open the
doors for me, i need to talk to you

While Jake is muttering to himself, the doorbell rings below
and he runs in a hurry.

JAKE

Is it Emily?
(He goes down quickly,
runs to the door and
says,)

Emily! I shouldn't have done that.
Please forgive me...

EMILY

You're still worried about what
you've done, rather than
apologizing to your victim first
Jake.. you should have thought of
that earlier. Pay for what you did

JAKE

Wha, what? What do you mean pay for
what i've done!?

(slowly opens the door)

As soon as he opened the door, Jake saw two cops handcuffing
his hands before he even understand Emily's word.

JAKE (CONT'D)

Oh... now i understand.. what am i
going to to now?..

END
