

Name: Morgan K.

Rap: 17 Class: Ms Hubbard, D Block

Due: Nov 20

The Assignment:

You will be observing your host throughout the day. There are 3 parts to this assignment:

Part 1- The Interview: Observe your host at work, at some point interview your host and record/make notes of the results

Part 2 - Reflection: After the day is finished, reflect upon your experience and answer the reflection questions

Part 3 – Post Your Assignment to Your Blog: Once you have completed **Part 1** and **Part 2** post it on your blog. Make sure you take pictures and/or videos to document your day, you can place them in your blog.

Name of your host: Ryan Kornitsky Relationship to you: Dad

The Interview: (ask your host these questions)

1. What is your job title? Coating Inspector

2. What is your job description? Preform coating and corrosion surveys to help plan for upcoming maintenance work.

3. What are the duties and/or tasks you perform at your job? Preform inspections for surface preparations and coating application to insure the company is getting good value for work being preformed.

4. What qualifications do you have for this job in the following areas:

a) training? 4 year apprenticeship for Red seal certified painter, 5 years of experience as a level 2 inspector to become a level 3 NACE certified coating inspector.

b) education? High school, Painting and decorating at BCIT

c) experience? 25 years in the trade

d) skills and attributes (personal qualities)? Respectful, Good communicator, works well under pressure, able to deescalate confrontation in a productive way.

5. What are some of the things you like about the job? Traveling, meeting new people large variety of day-to-day tasks.

6. What are some of the things you dislike about this job? Hours, working in the weather dirty and noicey environment,

7. How do you anticipate this job changing in the next 5 years or so? Becoming more green and environmentally friendly, especially in corrosion protection. Being more involved in terminal construction projects, new vessel construction

Other question (s):

Not a good career path, too specialized. Not many employment opportunities.

Student Reflections:

1. Give three reasons why you would like this job (be specific):

a) Open area

b) Green, Saving the planet

c) Everybody (co-workers) is nice and talkative

2. Give three reasons why you would not like this job (be specific):

a) Hours are too long, and very early

b) TOO quiet

c) Not personalized to my intrests, boring.

3. Is this job for you? Why or why not?

No, I don't believe this job is for me. I am not interested in these trades and I have other ideas for my future. This

job is very hard and requires lots of hard work everyday and I don't think I would fit in very well. It has lots of repetitive work and would get very uninteresting, very fast.

4. Explain the value of the TOKTW experience in relation to your ideas about your post secondary (after high school) plans (education?, training?, travel?, work?).

Take your kid to work day is important for giving the future generations a look at post secondary life, giving them an idea of what

the outside world looks like after school is over. It sparks a flame of thoughts in a child's brain to start thinking about what they will do

later in life. Understanding how hard you need to work and the initiative you need to take to get a good job and be happy in your career choice.

Blog Post:

Step 1: Go to your Blog

Step 2: Create a new post

- Title: TOKTW2019

- Category: Portfolio

- Tag: TOKTW2019Hubbard

- Add Media: Add a picture or video of your work place

Step 3: Add your assignment to the post by doing one of the following

- Copy and paste the assignment from a word document

- Type in all of the questions and answers

- Upload a PDF

- Any other means to place your work in your post

Step 4: Click Publish
