My team members are: Jayna, Sabrina, Tommy, Kevin.

Our team "name" is: Chill Pills

The Chili recipe I think would be a good dish to enter in the cookoff is called (attach it):

Fruit and Nut Chili

and the name of the website/cookbook/magazine where I found it is:

<http://www.bhg.com/recipe/beef/fruit-and-nut-chili/>

I think it's a good recipe for our team because:

The recipe is unique and different from other groups chili recipe's

When I looked at all the different Chili recipes, I noticed they all had these 3-4 ingredients in

common: 1. Kidney Beans 2. Diced tomatoes

3. onion 4. Chili powder

The purpose of ingredient #1 is: Give texture and add protein

The purpose of ingredient #2 is: Add texture and flavor

The purpose of ingredient #3 is: flavor and texture

The purpose of ingredient #4 is: spicy taste to the chili
