C ☐ **How does the artifact you selected demonstrate strengths & growth in the communication competency?** **In what ways might you further develop your communication competency?**	**Self-Reflection** Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process. My persuasive video assignment for *The Pedestrian* demonstrated strengths and growth in the communication, creative and critical thinking competencies. In the communication competency, I acquired, interpreted, and presented information, and connected and engaged with others through the video. In the creative thinking competency, I generated and developed ideas to help support my argument. In the critical thinking competency, I analyzed and critiqued information to help support my argument, and I developed and designed my video.
