

# Casey Kim's Life Style

I want to be Psychology Counselor. I want to help children who have hurts inside.

The car I would drive in the future is this. This is 2021 Mini Cooper, colored red. I've always dreamed about this car, so I hope that I can get this moderl by my future car.

This is my future house. I want to live in this kind of big house with my whole family. I would stay in BC, Vancouver, but I am willing to stay in korea rather than other country.

I have a poodle in my house right now, but a dachshund is my dream dog. I love them because they are so gorgeous.

I want to live in London for a moment. Because I really like the mood of London's.
